PRECAUTION AT JERSEY CITY.

Zenolous Jersey City, anxious to do the president full honor in the matter of police protection, gave his arrival there a Czar-like aspect. For an hour before his train arrived over the Pennsylvania railroad, the entire terminal had been carefully patrolled by more than 20 policemen. Ten minutes before the arrival of the train, the chief of police and a captain led a platoon of 40 policemen on to the platform.

The elaborate precautions of the Jersey authorities gave first impression that undue measures of protection were being taken. That there was nothing in the air was made plain when the party reached Manhattan, where the police display vanished. Three mounted policemen led the train to the house of the president's brother, Henry W. Taft, on West Forty-eighth street.

FEARING BLINDNESS, SHE COMMITTED SUICIDE

Miss Callahan was 32 years old.

NO LIQUOR TO BE SOLD WHERE WOMEN CONGREGATE

Chicago, Feb. 22.—"Permit the sale of no liquor after May 1 in any place where women congregate."

This order, given by Chief of Police Steward to his inspectors yesterday,

The Flavor Is Different

That is why **Burnett's Vanilla** stands in a class by itself. For nearly sixty years, Burnett's Vanilla Extract has been the recognized standard of purity and excellence by which all other Vanilla Extracts have been judged. You may look the world over and you will never find another vanilla anywhere, quite so rich and satisfying in strength or with quite so rare and delicate a flavor.

came as a bombshell. The effect overshadowed Mayor Busse's announced order forbidding resort proprietors to sell intoxicants without a city license was to electrify the south and west side levees.

In giving his orders Chief Steward said:

"Not only are you to stop the sale of intoxicants in resorts which have no city license but under no circumstances are you to permit the sale of liquor in saloons, concert halls or cafes where women are permitted to congregate."

As a result police officials predict there will be an exodus from Chicago of 15,000 men and women.

SECURED PARDON AFTER TWENTY YEARS IN PRISON

Galveston, Tex., Feb. 22.—Rector Williams, 52 years old has been released from the state penitentiary at Rusk after 20 years' service accompanied by the man he was convicted of having killed, Bernard J. Carter of Seattle, Wash., was responsible for the release of Williams from prison, where he was serving a 40-year term.

When Carter saw the name of Rector Williams mentioned among the convicts who testified before a legislative committee he became interested and discovered it was the same man who drove cattle and rode the range with him 20 years ago. Carter visited the prison and the pardon of Williams followed.

Twenty years ago Williams and Carter owned small interests in cattle in western Texas and were employed on the McCormick ranch in Crockett and Poscos counties. They had frequent

quarrels which terminated in a fight in which Carter was stabbed and left for dead. Williams believed he had killed his companion and he attempted to hide the crime by throwing the body in the Pecos river. Carter, however, recovered and left the southwest.

ALLEGED SHORTAGE DROVE JOSEPH CONNER INSANE

Chicago, Feb. 22.—Joseph Conner, treasurer and chief clerk of the Waukegan office of the Elgin, Joliet & Eastern railroad, was committed to the insane asylum at Elgin yesterday, as a result, it is said, of an alleged shortage of \$7,000 in his accounts.

The case is similar in many respects to that of Charles L. Warriner, treasurer of the Big Four railroad at Cincinnati, who is serving a prison term

for embezzlement of \$643,000 of the company's money and who claimed that most of the shortage went for the last few days, Conner is declared to have accused a fellow employee who knew of the alleged shortage, of leaving blackmail on him for five years.
